COMPONENTS & PARTS / HEADERS / 3X8 MALE HEADER - 4 PACK

3x8 Male Header - 4 pack
PRODUCT ID: 806

DISCONTINUED

DESCRIPTION

TECHNICAL DETAILS

DESCRIPTION

Three rows!? Yes! These chunks of 0.1" header has yet-another-row - handy for when you want to connect cables that come in sets of three, like perhaps sensors, or servos. These plug into any standard 0.1" spacing perf-boards or other PCBs and work nicely with our female-ended wire sets.

Comes in a set of four pieces, each piece is 3 rows by 8 rows. You can stack these next to each other in any direction

TECHNICAL DETAILS

Weight: 1.30g each

MAY WE ALSO SUGGEST...

3x4 Right Angle Male

Jumper Shunt with Handle
