DESCRIPTION

Make your own custom HDMI cable or HDMI interface with ease, using this **HDMI Terminal Block Breakout**. You get a nice solid PCB with an HDMI plug and two strips of terminal blocks that you can use with stranded or solid core wire to quickly assemble your own wiring jigs.

than DIY it. So, we recommend this adapter when you have some unusual setup or wiring needs like splicing off the I2C or power pins.

Comes with one fully assembled breakout and a clip-on housing
