DESCRIPTION

If you love DIY cable-rigging, then these HDMI adapters are right up your alley! Making custom HDMI cables has never been easier. Just grab one of our [HDMI ribbon cables](#), then swap and switch any of our HDMI adapters on each end using the flex cable clips. There are options a-plenty!

This version is a **straight HDMI plug**.

Ribbon cable and other adapter not included! [Check out all of the options we have in the shop to craft your very own custom cable.](#)

We tested out these DIY cable kits with a Raspberry Pi at 1080P and they worked great but note that they are not going to be as durable or shielded as ready-made cables.

TECHNICAL DETAILS

Product Dimensions: 27.5mm x 17.3mm x 5.0mm / 1.1" x 0.7" x 0.2"

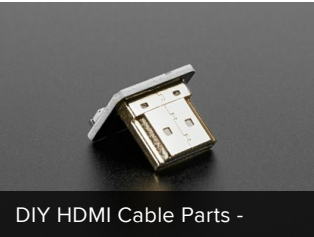

Product Weight: 3.2g / 0.1oz
